Our Story

Independently owned, expect premium dining in our beautiful, yet relaxed restaurant and cocktail bar.

Enjoy British steaks cooked by our experienced team over fire on specialist Robata grills, basted in seasoned, rendered wagyu fat.

Fresh seafood and vegetarian dishes are handpicked daily. We serve the best English wines, artisan spirits and create handcrafted cocktails.

Our passion is in everything we do; whether it's dry ageing our own steaks, home smoking our own salmon or barrel ageing spirits and crafting new cocktails.

Open from 11am, join us for lunch, dinner or drinks.

SIGNATURE COCKTAILS

WINES

Coravin

Unlike other wine preservers, which only delay the oxidation of wine, the Coravin Wine Preservation System is designed to pour wine without removing the cork, so wine always tastes like it has just been opened, even years later. We are able to offer our higher end wines by the glass.
